Jolly Phonics provides a thorough foundation for reading and writing. It uses the **synthetic phonics** method of teaching letters and sounds in a way that is fun and multi-sensory. The program is aimed at the pre-primary to year 2 level but can also be used by middle to upper primary teachers to consolidate the foundation skills for reading and spelling.

This full day workshop introduces the Jolly Phonics Multi-Sensory Literacy Program and its associated resources.

Practical advice will be given on how to use the program in the classroom.

In addition, tips will be given on how to incorporate the Jolly Phonics program into your interactive whiteboard.

Classroom teachers, LSC's and special education teachers as well as interested parents should attend this workshop.

Presenter: Gemma Boyle, BA (Hons), MPsych (Ed. & Dev.), Dip. Ed. (Spec.Ed.) Gemma is a Psychologist at DSF Literacy and Clinical Services where she assesses children and adults with learning difficulties and disabilities. She also consults with parents and educators regarding the nature of Specific Learning Disabilities and how to improve literacy outcomes. Gemma is keen to maintain the link between theory and practice in order to provide evidence-based strategies for those experiencing literacy difficulties.

CANCELLATION POLICY

DSF Literacy Services has a 'no refund' policy. The exception would be when a Professional Learning Course had to be cancelled by the Foundation. All other requests for cancellation will be invited to re-register for another session. Late cancellation (less than 48 hrs) will necessitate the Foundation deducting an administration fee of \$25.00 and transferring the balance to another Professional Learning Course.
